Lookin' out, I'm counting all the shadows on the moon
Late at night, I wonder if the sleep will kick in soon
So restless, it makes me quite aware that he's not there

Come get me, I could be yours

Monogamy is a bullshit story
The made it up just to take the fun away
I say it ain't got no glory
Monogamy is a bullshit story

Well he and I, I know we couldn't last another day
So this night, we will be talking it over and over again
How I want him just to be himself,
But than pretty and a little bit different

Come get me, I cold be yours

Monogamy is a bullshit story
The made it up just to take the fun away
I say it ain't got no glory
Monogamy is a bullshit story

Monogamy is a bullshit story
The made it up just to take the fun away
I say it ain't got no glory
Monogamy is a bullshit story

One man ain't enough, no I just can't get enough
One man ain't enough, no I just can't get enough
One man ain't enough, no I just can't get enough
One man ain't enough, no I just can't get enough

Monogamy is a bullshit story
The made it up just to take the fun away
I say it got no glory
Monogamy is a bullshit story

Monogamy is a bullshit story
The made it up just to take the fun away
I say it ain't got no glory

Monogamy is a bullshit story
