Standin' at the bar, I feel them lookin' at me
It's kinda cute, 'cause they're afraid to come near
All a part of acting natural
Eyes are tickling, I feel them everywhere
Underneath my clothes, they seem to like it in there
Yes I know I'm fucking sexual

And they treat me like an animal
I don't mind 'cause I'm so
Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sexuel

Everywhere I go, the men are always smiling
It's kinda strange, it's like they're advertising
Don't say no they're thinking yes you will
And as I'm passing by, 'cause I ain't staying, no
I look 'em in the eye, and without saying
They know "Oh my God she's fucking sexual"

Well they treat me like an animal
I don't mind 'cause I'm so
Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sexuel

Oh it's what I do it's who I am
I can't live without
It's on my mind, it's in my veins
I can't do without

I like swearing, I like drinks
I like to think I'm thinking just
the way a man thinks

Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sex, sex, sex, sex, sexual
Sexuel

I like swearing, I like drinks
I like to think I'm thinking just
the way a man thinks

I like swearing, I like drinks
I like to think I'm thinking just
the way a man thinks
