Lately we don't see eye to eye, all we seem to do is
fight
Too many sleepless nights, but now I wanna put it right

I know things have been tough, friends telling you stuff
Tryin' to mess with our trust, but all I care is about us
I know things have been tough, friends telling you stuff
But they won't break our love

You say you want my love, but think I'm holding back
Say I don't give enough, you know it ain't like that
But I'm ready to change, so girl don't walk away
Please don't go, I'm begging you to stay

You say you want my love, but think I'm holding back
Say I don't give enough, you know it ain't like that
But I'm ready to change, so girl don't walk away
Please don't go, I'm begging you to stay

We got a crazy chemistry, that's why it's hard for me to
see
How we ended up here with tears rolling down your
eyes
Girl, I apologize, two wrongs don't make a right
But I'm prepared to fight, 'cause girl I need you in my
life

I know things have been tough, friends telling you stuff
Tryin' to mess with our trust, but all I care is about us
I know things have been tough, friends telling you stuff
But they won't break our love

You say you want my love, but think I'm holding back
Say I don't give enough, you know it ain't like that
But I'm ready to change, so girl don't walk away
Please don't go, I'm begging you to stay

You say you want my love, but think I'm holding back
Say I don't give enough, you know it ain't like that
But I'm ready to change, so girl don't walk away
Please don't go, I'm begging you to stay

You say you want my love, but think I'm holding back
Say I don't give enough, you know it ain't like that
But I'm ready to change, so girl don't walk away
Please don't go, I'm begging you to stay
