Sometimes the snow comes down in June  
Sometimes the sun goes around the moon  
I see the passion in your eyes  
Sometimes it's all a big surprise  
'Cause there was a time when all I did was wish  
You'd tell me this was love  
It's not the way I hoped, or how I planned  
But somehow it's enough  
But now we're standing face to face  
Isn't this world a crazy place?  
Just when I thought a chance had passed  
You go and save the best for last

All of the nights you came to me  
'Cause some silly girl had set you free  
You wondered how you'd make it through  
I wondered what was wrong with you  
'Cause how could you give your love to someone else  
And share your dreams with me  
Sometimes the very thing you're looking for  
Is the one thing you can't see  
But now we're standing face to face  
Isn't this world a crazy place?  
Just when I thought a chance had passed  
You go and save the best for last

Sometimes the very thing you're looking for  
Is the one thing you can't see

Sometimes the snow comes down in June  
Sometimes the sun goes around the moon  
Just when I thought a chance had passed  
You go and save the best for last  
You went and saved the best for last
