this is no ordinary kiss  
that you planted on my lips  
one i wouldn't want to miss  
but it's all come down to this  
is my chance to make it right  
say my piece and then goodnight  
when you go to sleep tonight  
can i be there at your side  
i can't take it anymore  
i have to tell you to be sure  
i don't want to live without you anymore  
this is no ordinary kiss  
that you planted on my lips  
never felt like this before  
or knew what was in store  
i know you must think i'm crazy  
i don't blame you baby  
what have we learned?  
this has gone far enough  
for one whole year i needed you  
but you never had a clue

so this is where it ends  
and hopefully where we begin  
so now what are we to do?  
you had no clue  
i can't live without you  
i'm incomplete  
sense of defeat
