History is written in blood
It's no mystery
We haven't learned a thing
From all the agony
Of the victims of our own insanity
Are we too busy to see?
We're about to repeat in all impunity
These acts of pure madness and atrocities.
It's a book filled with rage
With a blank on the page
About the coming of age of peace
But there's hope in the eyes of our youth
Until they realize it's still
An eye for an eye
And a tooth for a tooth

All over the world!
