Step right up, try your luck  
Play a little hold'em are ya Texas tough?  
If you're buyin' in I tell ya this could go all night  
I know your card, queen of hearts  
You're goin' down baby and you're goin' down hard  
Nothin' up my sleeve we're getting' down to business  
alright

(Chorus)  
Don't call it  
You'll only have yourself to blame  
I'll show it  
Cause I'm all in baby  
And that's the way I play my game

One eyed Jack, on the attack  
Take me to the river there's no turnin' back  
Got some bullets comin' at ya get your hands in the air  
You got something' to prove, not a minute to lose  
What you got left better make your move  
So play with the king if you dare, yeah

(Chorus)

Are you ready to deal?  
Think you're takin' it all  
I'm comin' in for the steal  
Are you ready to call?

(Chorus)
