You, you were waiting for me
So, what did you expect to see?
Tired of G-d without a face
I'm not the one who's gonna lead your faith
People listen, I got no regret
There's no halo hangin' over my head

(Chorus)

I've become the hero I don't want to be
If I'm; if I'm the hero, what do you want of me?

You keep telling' me that I'm the one
'Cause I always do what must be done
So all I ask is don't intrude
When I'm in the fortress of my solitude
It ain't my thing, you've been misled
And besides I just don't look good in red

(Chorus)

I've become the hero I don't want to be
If I'm, if I'm the hero, what do you want of me?

If this is how it has to be then
It's not to reason why
I'll accept my destiny but
Don't expect me to fly

(Chorus)

I've become the hero I don't want to be
If I'm, if I'm the hero what do you want of me?
Do I gotta fly?
I've become the hero I don't want to be
