As the sun breaks down through the auburn haze to an
empty town
All the rusted cars, the dissarray, not a soul around
It's the end result of a poison past, and it won't be long
Till there's no one left to eat or breathe
That's the road we're on

So, line up and follow the fools
Or stand up and shout out the truth

Chorus:
These are ever changing times
Full of every danger sign
And the only hope for us to survive
Is to wipe away the lies
Every tear from every eye
Every woman, man, and child realize (recognize)
These ever changing times

All the sounds of war ringing in the air all around the
world
And the endless game leaving no one spared when the
flag's unfurled
And the ground that's gained is the ground that's lost,
making both sides lose
And the price that's paid is the highest cost, 'cause it's
me and you

So, line up and follow the fools
Or stand up and shout out the truth..don't you know

(Chorus)

[Solo]

So, line up and follow the fools
Or stand up and shout out the truth..don't you know

(Chorus 2x)
