Cause it's a bittersweet symphony, this life
Try to make ends meet
You're a slave to money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
where all the veins meet yeah.

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no!

Well I never pray
But tonight I'm on my knees yeah
I need to hear some sounds
that recognize the pain in me, yeah
I let the melody shine, let it cleanse my mind,
I feel free now
But the airways are clean
and there's nobody singing to me now.

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no.

'Cause it's a bittersweet symphony, this life
Try to make ends meet
Try to find some money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
where all the things meet yeah.

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no.

I can't change my mold
no, no, no, no, no,
I can't change
Can't change my body,
no, no, no.

Have you ever been down?
Have you've ever been down?

(I'll take you down the only road I've ever been down)
(I'll take you down the only road I've ever been down)
(It just sex and violence melody and silence)
(Been down)
(Ever been down) (Ever been down)
