Baby why are you wasting time crying
Like it's the only thing to do?
Baby don't you worry, you're still crying
Your instincts all it's got, I knew

Baby don't you worry, you're still crying
I can see the sadness in your eye
Baby why are you wasting time crying
Trying to find out the reasons why?

Baby don't believe it when they say it
Love is just a feeling that you give
You're the universe and you're all I need
Tell me all the secrets that I'll forgive

Ooh-yeah-yeah, oooh-yeah-yeah, yeah-yeah
All right, ooh yeah, all right

Just watch the lights go down over this town
Watch the thames weave down, wind it's way round
Watch the city boys leave, full of bluster
Aint it easy for you as a kid to get yourself so messed
up
We don't know, we don't know (oh yeah)
We don't know, we don't know (oh yeah)
We don't know, we don't know
we don't know, we don't know (a-ha)

Fame, a celebrity culture, flash light, flash light
Fame, bullet proof bathroom
Inside, she's fixing up
Fame, a sealing-up number one

Vacuum, a vacuum
Fame, miracle accent,
Inside, start it up
Shoot it up, shoot it up, shoot it up, shoot your gun

Fame, the vanity minstrel
Fame, the mirror of the wet dream
And I look, and I'm feeling that accent

Dying on the inside, I'm dying on the inside

Love's like oxygen

Love's like oxygen

Love's like oxygen

Love's like oxygen

Love's like oxygen
