I see houses
Rows and rows of red bricks
I see black cars
Some blood-stained exit
I get this
feeling that I've
I've been
In here before
How many lives
Will you waste
How many tears
Must I taste

Before my freedom
Ah-ah-ah
Before my freedom
Ah-ah-ah

I see mountains
Blood-red sunsets
I see a billion stars
Love deafened and betrayed
I get
this feeling that I
I've been
In here before
How many lives
Will I waste
How many tears
Must I taste

Before my freedom
Ah-ah-ah
Before my freedom
Ah-ah-ah

I won't be late (x2)

I get
this feeling that I
I've been

In here before
How many lives
Will I waste
How many tears
Must I taste

Before my freedom
Ah-ah

I get a feeling
That I
I've been
Here before
How many lives
Will I waste
How many blood
Must I taste

Before my freedom
Oh

It's just
This murder
Trouble and strife
Turning me
Into another guy
It's just murder
Trouble and strife
Turning me
Into another guy

Oh

Don't be late
Don't be late
Don't be late
When I call you up

Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-oooh
Oooh-oooh-oooh-oooh

Ooh
Oh-my, my, my, my
My, my, my, aaah
