Dream, dream

Damaged, do you see through the scream?  
Damaged but I know I will survive  
Damaged but I guess I'll move on

Dream, dream

Live this life before your soul's a small grain in the sky

Just keeping it, keeping it on  
Just keeping it, keeping it on  
Just keeping it, keeping it on  
Just keep it, keep it, keep it on, just keeping it, keep it

Dream, dream

Live this life before your soul's a small grain in the sky

Damaged, do you see through the scream?  
Damaged but I know I will survive  
Damaged but I guess I'll move on

Too many people, too many dreams now, too many  
dreams now  
I'm gonna come out now, I'm gonna come back now

Dream, dream

Live your life before your soul's a small grain in the sky  
Dream, dream  
Live your life before your soul's a small grain in the sky
