I'm watching you
Watching my every move
I can tell you know just what to do
Looks like you got me where you want me
I can see you want me, you want me

In the dark
Boy I can feel you, I know where you are
Yeah, I can see right through your camouflage
Looks like you got me where you want me
I can see you want me, you want me

It's killing me
Cause I need your touch now, baby
I got my hands up
Ready, aim, stand up
C'mon lover, shoot me down (Yeah)

Put your hands around me
Pull my trigger baby
I don't care who's around
I don't, I don't give a damn
Lover shoot me down (Yeah)
Lover shoot me down (Yeah yeah)
[x2]

I'm in your sights
I'm like a deer in the headlights
Nowhere to run, I got nowhere to hide
Looks like you got me where you want me
I can see you want me, you want me

It's killing me
Cause I need your touch now, baby
I got my hands up
Ready, aim, stand up
C'mon lover, shoot me down (Yeah)

Put your hands around me
Pull my trigger baby
I don't care who's around

I don't, I don't give a damn
Lover shoot me down (Yeah)
Lover shoot me down (Yeah yeah)
[x2]

I'm standing right here
What you waiting for?
(What's the hold up?
What's the, what's the hold?)
Are you gonna finish what you started, boy?
(What's the hold up?
What's the, what's the hold?
Hold up, hold up, hold, hold...)

Put your hands around me
Pull my trigger baby
I don't care who's around
I don't, I don't give a damn
Lover shoot me down (Yeah)
Lover shoot me down (Yeah yeah)
[x2]
