I see you in the darkness
I see you in light
I see your light shining in through the night
Make me feel make me feel
Like I belong
Don't leave me Don't leave me here
all I alone
Cause' Your eyes like summer skies,
Blue words in the ocean clear as in the skkkkyyy!

CHORUS: x4
Sunshine on a rainy day
Makes my soul, makes my soul
Trip Trip Trip Away

You touch me with your spirit
You touch me with your heart
You touch me in the darkness,
a feeling starts
make you feel make you feel so unreal (so unreal)
Like a wind in the desert
Like a moon on the street

CHORUS x4

Instrumental

Sunshine on a rainy day makes my soul makes my soul
trip trip trip away x4
