he's like the wind, through my tree  
She rides the night, next to me  
She leads me through moonlight  
Only to burn me with the sun  
She's taken my heart  
she doesn't know what she's done

To Feel her breath on my face  
Her body close to me  
Can't look in her eyes  
She's out of my league  
Just a fool to believe  
I have anything she needs  
She's like the wind

I look in the mirror and all I see(and all I see)  
Is a young old man with only a dream  
And I just fooling myself  
That she'll stop the pain  
Living without her  
I'd go insane

To feel her breath on my face  
Her body close to me  
Can't look in her eyes  
She's out of my league  
Just a fool to believe  
I have anything she needs

To feel her breath on my face  
Her body close to me  
Can't look in her eyes  
She's out of my league  
Just a fool to believe  
I have anything she needs  
She's like the wind

She's like the wind
