"Fat Fish"

I'm gonna throw a line tonight, yes
The sweeter the bait, the quicker the fish will pick up
Oh yes, the sweeter the bait, the quicker the fish will
pick up

I just need a drop of oil, now
The fatter the fish, the quicker it takes to fry, fry, fry,
fry
The fatter the fish, the quicker it takes to fry

Well, I'm going on the beach now
Come along, come along, come along
I'm gonna fish all night long, now
The fatter the fish, the quicker it takes to fry, fry, fry,
fry
The fatter the fish, the quicker it takes to fry

I'm gonna throw my line tonight, yes
The sweeter the bait, the quicker the fish will pick up
Oh yes, the sweeter the bait, the quicker the fish will
pick up

I just need a drop of oil, now
The fatter the fish, the quicker it takes to fry
