# "Love and Unity"

Visit "[Love and Unity](#)" on MotoLyrics.com

All we need in this world is love and unity  
You can't go on that way  
You can't do the things you want to do  
Because there is no love and unity, love and unity

Every day it's the same thing, you can't walk free along  
the street  
Because there is no love and unity, love and unity

All we need in this world is love and unity  
You can't go on that way  
You can't do the things you want to do  
Because there is no love and unity, love and unity

Every day it's the same thing, you can't walk free along  
the street  
Because there is no love and unity, love and unity  
Love and unity, love and unity
