Shadrach, Meshach and Abednego  
They throw them in the fire  
and they never get burned as we know  
Shadrach was a dreadlock,  
Meshach was a dreadlock, also Abednego  
Lord oh where did they go, nobody knows.  
Rastaman invisible, invisible yeah,  
some kind of miracle , oh no no  
Rastaman invisible invulnerable,  
some kind of miracle.

Daniel was thrown in the lions den,  
but one thing they never know  
the lion was Daniels friend,  
he was his friend, Daniels friend,  
rastaman invisible, invisible yeah,  
some call it miracle, if you know what I mean.  
Rastamn invisible, invulnerable  
some kind of miracle

Daniel was thrown in the lions den,  
but one thing they never know  
the lion was Daniels friend,  
he was his friend, Daniels friend.  
Rastaman invisible, invisible yeah,  
some call it miracle, oh yea yea  
Rastaman invisible, invulnerable,  
some call it miracle if you know what I mean.  
Rastaman invisible, invulnerable,  
some call it miracle rastaman invisible, invisible yeah  
Some call it miracle, miracle, miracle.  
Rastaman invisible, invulnerable,  
some call it miracle if you know what I mean  
Rastaman invisble, invisible yeah, some call it miracle
