I know you've got my back
by the way you plan your next attack
I know you've placed your bets
by the way you like to watch me sweat
if I could have my way
I'd chain you down and make you stay
cause you're the yes man, yes man
nobody else can
you're the best man, yeah man
nobody else can
you're the left hand right hand man
the right man
you won't let me down [x2]
you won't let me
I know you in the dark
by the way your hands pull me apart
I know you in the day
by the way you're here but you're miles away
I know you're in the mood not to be attached
or be misused
cause you're the yes man yes man
nobody else can
you're the best man row hand
Nobody else can
you're the left hand right hand man
the right man
you won't let me down [x3]
you won't let me
down [x4]
baby, take me high and hazy
leave me limp and lazy
you can't save me [x3]
(yeah yeah, yeah yeah)
I'll be your sacrifice
I'll be your ??
I'm the perfect daughter
the perfect slaughter [x2]
yes man yes man nobody else can
you're the best man yeah man
nobody else can
you're my left hand right hand man

the right man
you won't let me down [x3]
you won't let me
down [x4]
baby, take me high and hazy
leave me limp and lazy
you can't save me [x3]
(yeah yeah)
down [x4]
baby, take me high and hazy
leave me limp and lazy
you can't save me [x3]
