Just rolled off the production line | This is the game you
learn while you play | Just out of school and you felt so
high | That was remand now you're doing time | The
four minute warning's no surprise | Drown it in liquor,
drown it in vice | The neon's so bright I've got to wear
shades | Fly poster heroes flare then fade | Another
cog going round and around | Roll the tape as you hit
the ground | Oh what music you make! | Feel the
pressure, critical mass | And sentiment is so crass | But
oh what music you make! | The wheel turns on
