Close the curtains so the sun don't shine | The view
from this window ain't too sublime | You can buzz all
you want but I won't come to the door | I'm pleased
you're so certain but me I'm not so sure | Not so sure |
Save your small talk man it don't do nothing for me |
Wish I could channel surf like I do on my TV | Let me
buy you a drink and maybe tell you some lies | Its's a
game I play and you're the consolation prize | Inside
these walls | I'm the song and dance man, I'm service
with a smile | Just flip me a coin as you walk on by | So
many retreats, resolution lost and found | I'm the
cigarette you didn't stub that burns your house to the
ground | Inside these walls
