"STATE OF DECAY"

All the things about you that I once found so endearing
| Dont you know their charm is not so slowly
disappearing | Read about it, gonna try | To the steal
the fun no credit provides | In this state of decay | X
marks the spot but all the names have been altered |
Who wrote the requiem for misfortunes daughters? |
Paint it black, paint it white | Just keep the dirt all out of
sight | Nothing worth having needs a hard sell |
Success is spite, love kiss and tell | Mistaking pity for
affection | Driftwood crumbling in your hands
