Move a little closer, dance for me | Yeah | Move like you do, so seductively | Yeah | Don't be shy the lights are low | How far are you prepared to go? | You give a little and I want more | Illusions crumpled on the floor | Here in sharp relief | Suspend my disbelief | Move a little closer, dance for me | Yeah | Like I'm feeding you coins through a perspex screen | Yeah | If I pull too hard now will you tear? | Fake like your underwear | Pull it back, nothing to hide | I want to see the you inside | Here in sharp relief | Suspend my disbelief
