Here I am, You made it all so clear
I understand, I am just a stranger here
I will leave it all behind
Till all that's left is gone
And I'll run with all my might
Straight into your arms!

(Chorus:)
Here and now we will stand
With one voice, hand in hand
We will never back down
We will never give in
Here and now we will sing
(With all of our hearts we sing)
With one voice and we bring
(With all of our joy we bring)
Our lives as an offering
We bring You everything

Beyond the depth
Of the sweetest dream
So much farther than I see
Oh, You are eternal life
Where could I, where could I
where could I go?
Without You in my life
Without You by my side
Lord, it's clear I need You day and night

So we'll leave it all behind
Til all that's left is gone
And we'll run with all our might
Straight into Your arms!

Chorus

Lord, I give my life
No matter what it takes
'Cause You gave it all for me
With all of our hearts we sing
With all of our joy we bring

We will bring
Our everything, everything
