Fleeting breath, frailest flesh
I'm a casualty at best
And so I sink into your depth
My only place of rest

Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me

The treachery of valleys deep
Has only made me weak
I clothe this flesh with holiness
My only place of rest

Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me

And when I see Your face I'll know
All the pain and tears will go
To the bottom of the sea
You'll forever be holy, holy

Holy, holy, holy, holy

Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me

Holy, holy, holy, holy
Holy, holy, holy, holy
Holy, holy, holy, holy
Holy, holy, holy, holy

When all is fallen
You are life to me
When all is broken
You are life to me

When all is empty
You are life to me
Life to me, life to me

When I am fallen
You are life to me
When I am broken
You are life to me

When I am empty
You are life to me
Life to me, life to me, life to me, life to me

Life to me
