They called You a failure
They called You a lost cause
They said You would never become
Anything at all

A generation with no direction
But when I look in Your eyes
I see the prize yet to be claimed

I'll say it once, I'll say it twice
That Your life was worth the price
Paid for You, paid for me
And I believe in You and I know You'll find the truth

I know You've been broken
'Cause I've seen the abuse
I know there's a place inside Your heart
Begging for truth

For a soft spoken answer
That won't break Your spirit
And when I look in Your eyes
I see the prize that's yet to be claimed

I'll say it once, I'll say it twice
That Your life was worth the price
Paid for You, paid for me
And I believe in You and I know You'll find the truth

That's not what they told You
When they said that they gave up on You
And You're nothing, and You'll never be anything
I wait for the day when You'll stand up and say
I can do all things through Him who strengthens me

I'll say it once, I'll say it twice
That Your life was worth the price
Paid for You, paid for me
And I believe in You, yes, I believe in You
Yes, I believe in You, and I know You'll find the truth

Life, not just any kind of life, this is eternal life

It's easy to understand, simple to get
It's simple as A B C
A, admit that you are a sinner and you need a Savior
B, believe in your heart that Jesus Christ is Lord
And C, confess your sins and commit your life to him
D, don't wait until tomorrow
