in your eyes i see  
what you mean to me  
when you calling out my name  
don't you that i  
want you by my side  
so why do you feel this way

BRIDGE:

can't see that i  
want you in my life  
so if you want to stay  
you gotts love me anyway

CHORUS:

if you don't stop, get away  
you're the one i adore  
god i don't need your love anymore  
boy you got the strength in my heart  
everyday from the start  
boy this isn't love anymore

doesn't matter how  
doesn't matter why  
'cause today's another day  
ever since the time  
that you said good-bye  
don't you know i meant to stay?

[REPEAT BRIDGE]

[REPEAT CHORUS]

just between me and you  
how our love was never true  
how was i suppose to know  
now there's nothing i can do  
but turn away, i walk away  
but i wait for you...

[REPEAT BRIDGE]

[REPAT CHORUS x2]

boy this isn't love anymore...  
this isn't love anymore...
