I've been looking for someone  
now that I've found the one I am gonna settle down  
I've got nothing at all to give her  
and don't really know how to tell her.

Love is all I have nothing more have I.  
Love is all I have to give.  
Love is all I have.

Now that she knows there is nothing left for me to do  
then to kiss her once again  
if she'll allow me to  
I've got nothing at all she has discover'd  
Now she's gonna leave me for anothe

Love is all I have nothing more have I.  
Love is all I have to give.  
Love is all I have.
