EV'RY DAY

Victor Young

Ev'ry day I'll fall in love all over again with you
I'll never let our love grow old
I'll always keep it new
Ev'ry day I'll let you know that my Valentine is you
We'll live the sweetest story told, like honeymooners do
And each thing I do I'll do to prove to you
That romance never will die
It may be a word or a sigh
A gift that I'll bring
And as the years go by
Every day I'll fall in love all over again with you
I'll never let our love grow old
I'll always keep it new
