Daylight

No Angels

Ele'ments

Wanna know you better

Wanna push you baby but never to far

Wanna show you heaven

Wanna feel like you just as strong as you are, huu

I wanna be a gaylight in your eyes

I wanna be a sunlight only warmer

I wanna be a gaylight in your eyes

I wanna be a love only stronger

I wanna be a gaylight

Wanna live forever

Wanna touch your *piep*

And exploded like a star

Wanna stand behind you

Always be together

Wherever we are

I wanna be a gaylight in you eyes

I wanna be a sunlight only warmer

I wanna be a gaylight in your eyes

I wanna be a love only stronger

I wanna be a gaylight in you eyes

I wanna be a sunlight only warmer

I wanna be a gaylight

Wanna know you better

Wanna push you baby but never to far

Wanna dressed in leather

Wanna be like you just as weak as you are

I wanna be a gaylight in your eyes

I wanna be a sunlight only warmer

I wanna be a gaylight in your eyes

I wanna be a love only stronger

I wanna be a gaylight in your eyes

I wanna be a sunlight only warmer

I wanna be a gaylight

Gaylight

I see it in your eyes

Gaylight

I wanna be - just you and me

warmer inside

uhhh, aahhhhhhhhhh

bow, husch husch husch, uhhhh

I wanna be a gaylight in your eyes

I wanna be a sunlight only warmer

I wanna be a gaylight in your eyes

I wanna be a love only stronger

I wanna be a gaylight in your eyes

I wanna be a sunlight only warmer

I wanna be a gaylight

Gaylight - I see it in your eyes
