Give me a way out
I'm stuck here in this room
Where's my escape frame from certain social doom?
People embrace idiosyncrasies that have made us
strange

I, I did it
Oh what did I do?
I, I did it
Now what do I do?
Act like you know what you know makes you
Do what you did but don't admit it

We've all had our share of awkward instances
Collapsing meltdowns of crucial etiquette
People embrace idiosyncrasies that have made us
strange

I, I did it
Oh what did I do?
I, I did it
Now what do I do?
Act like you know what you know makes you
Do what you did but don't admit it

Why do I come off as shy, awkward, strange or
preoccupied?
You have yours and I have mine
Paranoia peering eyes
Candid, cornered, caught in dumb lies
How do I keep getting by?

I, I did it
Oh what did I do?
I, I did it
Now what do I do?
Act like you know what you know makes you
Do what you did but don't admit it

I, I did it
Yeah I, I did it, alright
