I'm bashful
I'm blue
And I really wanna dance with you
I have horns
And a tail
And my ego is for sale
I'm Corny
I'm kind
And I hope to be aligned
I have tricks
And Trails
And my trails won't be unveiled
Uh oh. shake it baby yeah
Uh oh. yeah ya ya ya ya ya ya
Uh oh. shake it baby yeah
Uh oh. yeah ya ya ya ya ya ya
I'm lonely
I'm lost
lazy dazy I'll doze off
I have quirks
And kooks
My favorite author Owski Buk
I'm groovy
I'm grey
my groove and gray obey
I have spooks
And spins
and poof the spoof spins grins
Uh oh. shake it baby yeah
Uh oh. yeah ya ya ya ya ya ya
Uh oh. paging mr. song
Uh oh. yeah ya ya ya ya ya ya
