I don't quite know where the Mohabi Desert is located
But I do know that Madonna gave an excellent
performance
On that day in that place
Just for me dressed in black
I swear to God I'll die I wanna take her to the prom
So what its na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up cause with out you life is so blase
I dream I had a dream I had this dream see I see us
lying lasciviously in the lush just like two carefree
cowpokes on a hill
with lots of grass the grass is soft the air is warm you
dress in clothes of black as I recite didactic prose.
So what its na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up with out you life is so blase
So what its na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up cause now the lights?
