When I wake up early in morning
Lift my head,
I'm still yawnin
When I'm in the middle of a dream
Stay in bed,
float up sttrreeaamm (float up stream)

Please don't wake me,
No don't shake me,
Leave me where I am
I'm only sleeeepiiinnn

Everybody seems to think I'm lazyy
I don't mind I think they're crazyy
Runnin every where at such a speed
Till they find there's no neeedddd (there's no need)

Please don't spoil my day
I'm miles away
And after all I'm only sleeeepiiinn

Keepin an eye on the world goin by my window
Takin my time
Liein there and staring at the ceilin
Waitin for the sleepin feeliiinnn

(guitar)

Please don't spoil my day
I'm miles away
And after all, I'm only sleepin

(yawn)

Keepin an eye on the world goin by my window
Takin my time

When I wake up early in the morning
Lift my head, I'm still yawnin
When I'm in the middle of a dream
Stay in bed, float up strreeaamm (float up stream)
