(Oh baby girl) I want to see you night and day  
(And in my world) I hope nothing will ever change  
Before you go, I'll be waiting and waiting  
and waiting and waiting.

(Oh baby girl) I want to ride into the sun  
(And in my world) Try take a shot at everyone  
Before you go, I'll be waiting and waiting  
and waiting and waiting.  
You should know, I'll be waiting and waiting  
and waiting and waiting.

Ooooooooooh, aaaaaaaaaah  
Ooooooooooh, aaaaaaaaaah  
aaaaaaaaaaaah, Give up, give in give out give up give in  
aaaaaaaaaaaah, Give up, give in give out give up give in

(Oh baby girl, oh baby girl) I love you  
(Oh baby girl, oh baby girl) I love you
