We were hiding from the rain and the thunder
I've been staring out for days as I wonder a long here
down

So here we are again we're outnumbered
The feeling is a weight that I'm under
Thought I heard her call my name in the summer
Is it ever gonna change in my slumber alone

I can hear myself walking through this earth
Can't believe they've started talking so retarded
I don't know what I don't know
Let me go

We were hiding from the rain and the thunder
I've been staring out for days as I wonder
