That's the start the MIDDLE and the end
Aren't you glad the universe pretend
If I don't get this message honed
Once again I'm gonna hate alone

Ride with me
Ride with me
Ride with me
Ooh

Ride with me
Ride with me
Ride with me
Noooyeahhhh

Bored aloud ignore the right to be
Invite me down because we like to see
The colors through your loaded mind
FUCK the world and liberate our time

Ride with me
Ride with me
Ride with me
Oohh

Ride with me
Ride with me
Ride with me
Oohhhh

I'm not waiting a long life
I'm not waiting alooone

Ride with me
Ride with me
Ride with me
Oohh

Ride with me
Ride with me
Ride with me

Oohh
