Ride the wild pony

Cried the stallion in heat

Assassin with a silken touch

She's one killer elite

Sleek as a panther

But the pussy is sweet

Make you howl in hormonal defeat

Freakin' outrageous

Keep the maniac barred Christen her victim in sacral  
lace

And hot tar Appetite lies in the sexual vein

Beware the eye of the hurricane

Wild child, moon is in the sun house

Wild child, moon is in the sun house

Insatiable hunger

Cursed queen of the beast

Smooth castrator

Who rapes vows off a priest

Amazon syncubus sadistic fiend

Such a siren obscene

Freakin' outrageous

Keep the maniac barred

In a salavatin' moan tongue

Wag the young boys hard

Oracle cries she's the warrant of pain

Sabbath is black she's the anti-reign

Wild Child moon is in the sun house

Wild Child moon is in the sun house

Wild Child moon is in the sun house

Wild Child moon is in the sun house

Wild Child moon is in the sun house

Wild Child - Maniac barred

In the sun house -

Sacral lace and hot tar

Come out to play - sexual vein

Beware the eye

Wild Child moon is in the sun house

Wild Child moon is in the sun house
