Time has come to set the score
To finish what began
We're back once again
To light the fire

Catch your breath and head our way
You've done it all before
It runs through your veins
Like blood it flows within

[One last time]
The bells are tolling
[Let them chime]
They know what's coming

(Whoa Whoa)
We are the ones who redefine
(Whoa Whoa)
And we will never stop the fight
(Whoa Whoa)
This is the day of ascension
Let It Out

Listen to the voice that screams
It's calling for you to live
Your moment is here
It's yours alone

If you hesitate too long
You may have lost your chance
It's all about now
You're living for today

[Just one chance]
It's all you're given
[Live the dream]
It's now or never

(Whoa Whoa)
We are the ones who redefine
(Whoa Whoa)

And we will never stop the fight
(Whoa Whoa)
This is the day of ascension
Let It Out

(Whoa Whoa)
We are the ones who redefine
And we will never stop fighting

(Whoa Whoa)
We are the ones who redefine
(Whoa Whoa)
And we will never stop the fight
(Whoa Whoa)
This is the day of ascension
This is your life
