My lucks pushed too far
I'll get wrecked in some bar
I've lost it
My foots on a nail

The dark winter snows bright
Please stay here tonight
I'll cry my face straight through my pillow

Some things last forever
Why can't this last forever?
Nothing lasts forever
I hope this lasts forever

More sex
More goodbye's
I love you and I
Won't let myself let you go

Some things last forever,
Why can't this last forever?
Nothing lasts forever,
I hope this lasts forever.
