You always see the bad in me  
You always judge before You're thinking

I always do my best to please  
I am a servant of Your desires

Please listen to this song that I have wrote for You my  
friend  
Hope that You like the lyrics that I've wrote for You this  
time, this time

People do always criticize  
Things they do not understand

I've got a message to all of You  
Please listen careful what You should do now

Please listen to this song that I have wrote for You my  
friend  
Hope that You like the lyrics that I've wrote for You this  
time, this time

I was raised so heavenly  
My Brothers stood beside of me  
If You decide to follow me  
There is Kingdom for You to see  
You always see the bad in me  
You always judge before You're thinking

I always do my best to please  
I am a servant of Your desires

Please listen to this song that I have wrote for You my  
friend  
Hope that You like the lyrics that I've wrote for You this  
time, this time

I was raised so heavenly  
My Brothers stood beside of me  
If You decide to follow me  
There is Kingdom for You to see

I was raised so heavenly  
My Brothers stood beside of me  
If You decide to follow me  
There is Kingdom for You to see

I was raised so heavenly  
My Brothers stood beside of me  
If You decide to follow me  
There is Kingdom for You to see  
My friend
