An invitation to dance on the floor
Entertainment was low in my home
Mother she sighs; what is love
Is it something inside my brain
Love, oh it?s driving us all insane
Oh.....oh.....oh

The Boy with the X-Ray eyes
It?s not a surprise
Nothing really matters to him

Spies looking into my window
I watch
Spies they never can deny

The Boy with the X-Ray eyes
It?s not a surprise
Nothing really matters to him

The Boy with the X-Ray eyes
It?s not a surprise

Spies looking into my window
I watch
Spies they never can deny

The Boy with the X-Ray eyes
It?s not a surprise
Nothing really matters to him

The Boy with the X-Ray eyes
It?s not a surprise
I see throught your lies
with my bionic eyes
Bionic, bionic, bionic

It?s the Boy with the X-Ray eyes
It?s the Boy with the X-Ray eyes
It?s the Boy with the X-Ray eyes
It?s the Boy with the X-Ray eyes
