there goes my love
there goes her heart
and that's not the last of it
or the worst part
there goes my eyes
down my downspout
there goes my car
and my house
cuz i'm out of here
cuz i'm out

i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
i'm not through sleeping around

there goes the pop
there goes my ears
and i've been around so long
just not here
there goes the wings
of my grey dove
there goes the world
i've been of
cuz i'm out of here

i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
i'm not through sleeping around

it's not the way that it seems
but yeah, i know that i like it
inside this mixed up dream
yeah, i know that i like it

knock off the shirt
knock off the gloves
knock off the price
of my love
knock off this deer

in my headlights
knock off my seed
and my wife
cuz i'm out of here
cuz i'm out

i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
i'm not through sleeping around

i'm not through sleeping
i'm not through sleeping around
i'm not through sleeping
