There ain't nuthin left for us to talk about
But a whole lot of doe

And every current affiar
We there
Keepin' your hands in the air
Like we just don't care (Come On)
Don't be a liar
Would you change your attire (MC)
Get a bomb like Hillshire
Wit the honey like Mariah
Sceam to the ranch then ride a horse
Then come back to the city pushin' a Rolls Royce

Honey you can have me
When you want me
You simply ask me to be there (a huh)
And you're the only one
Who makes me come running
Cause what you got
Is far beyond compare, ooh

When your love comes over me (That's right)
Oh baby I've got a dependency
Always strung out
For another taste of your honey (Uh huh)
When it rushes over me
You know sugar never ever was so sweet
And I'm dying for you
Crying for you
I adore you
Boy you know your love addicted me
And I'm strung out on you, darling
Don't you see

For another taste of honey
Honey I can't describe
How good it feels inside (yeah, yeah)
Honey I can't describe
How good it feels inside
