'm surrounded by locusts
My options cut down to none
Can't really gather no focus
They devour one by one by one

Breathe still
Stay upright

I'm stuck in between the lines!
I'm stuck in between the lines!

Breathe, don't panic

Hey!
So you wanna know what's on the flipside of me?
Around the bend
Hey!
So you wanna know what's on the other side of this?
So, take a guess,
You go ahead
And break your fucking neck!

Locust invasion
Encircle in killing streams
Do I run for cover,
Or do I give in to the vermin?

Breathe, don't panic

Extermination!
Bugs crawling up everywhere!
Disintegration!
Breakdown all hopes and fears!

Hey!
So you wanna know what's on the flipside of me?
Around the bend
Hey!
So you wanna know what's on the other side of this?
So, take a guess,
You go ahead

You're breathing still
The panic's off
You flip the coin
You're out of luck

So you really wanna know what's around the bend
If you think you've figured it all out, then go ahead
So do you wanna know,
Do you?
