I won't back down again, cause it's hurtin so.
No I won't figure out again, how you broke in two.
She could'nt take it.
She always rised a storm.
Her eyes never faded.
That's why I'm lettin her go.

Everything breakes away.
And make scars come alive.
And I won't have the way,
That you broke out.
Cause you know I aint gonna change.
So don't bring me that line.
Where you tore it all down,
And leaves me here (wasted).

I won't back down again, cause it's hurtin so.
No I won't figure out again, how you broke in two.
She could'nt take it.
She always rised a storm.
Her eyes never faded.
That's why I'm lettin her go.

Everything ends one day.
And make scars come alive.
And I won't have the way,
That you broke out.
Cause you know I aint gonna change.
So don't bring me that line.
Where you tore it all down,
Yeah!

But hell I can't fix it even if I wanted to.
But hell I fix it even if you made me

I won't back down again, cause it's hurtin so.
No I won't figure out again, how you broke in two.
Cause I could'nt take it.
Yes I always rised a storm.
Her eyes never faded.
And now I can let it go.
