Step by step, foot on foot, feading death
unspectacular year for year cigarettes for
everyone, frightening completely weird
An eatable face an eatable hand, intoxicated
land of the sick and damned, infected me
infected you, the pervers in your back is going
through

Hey, hey, hey
Hey, hey, hey

Go ahead, when the creature is sexual
Ahead, run, run, run,
Go ahead, when your life is optional
Ahead, hey, hey, hey

Watch them celebrate I want to become

part of this with my dick in my hand
A complete coma, no karma, just coma
God must be man

Dance

Hey, hey, hey
Hey, hey, hey

Go ahead, when the creature is sexual
Ahead, run, run, run,
Go ahead, when your life is optional
Ahead, hey, hey, hey

Go ahead, when the creature is sexual
Ahead, run, run, run,
Go ahead, when your life is optional
Ahead, hey, hey, hey
