He may be your man but he comes to see me some  
time

He may be your man but he comes to see me some  
time

He comes so often, I'm beginnin' to think he's mine

He's yours, he's mine, he's somebody else's too  
He's yours and he's mine and he's somebody else's  
too

If you don't mind, I'll have him clean away from you

Cause that man rocks me, he rocks me with a steady  
roll

He rocks me, rocks me with a steady roll  
When he rocks me, Lord he satisfies my soul

Hoy-hoy... (piano solo)

He's long and tall, just like a willow tree  
He's long and tall, just like a willow tree  
He's tall and cool, that man sends me

If that's your man, tie him to your side  
If that's your man, tie'm, tie'm, tie'm, tie'm to your side  
If he flags my train, I'm sure gonna let him ride

Now he don't drink or gamble, he don't run around  
When it comes to good lovin' he can really go to town  
That's the truth baby, I swear I wouldn't lie  
I love that man, gee I hope to die.
