FOREVER AND EVER

Ever and ever, forever and ever you'll be the one
that shines in me like the morning sun.

Ever and ever, forever and ever you'll be my spring,
my rainbow's end and the song I sing.

Take me far beyond imagination.

You're my dream come true, my consolation.

Ever and ever, forever and ever you'll be my dream,
my symphony, my own lover's theme.

Ever and ever, forever and ever my destiny
will follow you eternally.

Ever and ever, forever and ever you'll be the one
that shines in me like the morning sun.

Ever and ever, forever and ever you'll be my spring,
my rainbow's end and the song I sing.

Take me far beyond imagination.

You're my dream come true, my consolation.

Ever and ever, forever and ever you'll be the one
that shines in me like the morning sun.

Ever and ever, forever and ever my destiny
will follow you eternally.
